2: If your organisation would like to provide additional information relating to governing bodies and gender equality in your workplace, do so below.

The Newcastle Permanent Board has previously set measurable objectives seeking to increase the representation of women on the Board. This process commenced in 2015 and, over time, involved goals of moving to at least 25% and then 30% female representation on the Board. These measurable objectives were achieved progressively over time and the

Board now has a more balanced gender representation of 71% females and 29% males. Given the progress to a balanced gender representation, the Board has adjusted its measurable objective to be having a minimum of two Directors, and not less than 25% of the Board composition overall, of each gender on the Board.
