

Smart Saver Account

Product Schedule

Effective: 1 October 2020

This **Product Schedule** along with our **Deposit Account Terms and Conditions** and our **Account Access Terms and Conditions** make up the Terms and Conditions for this account and its access methods. Please read these documents before opening the account. Some words have special meanings which are explained in the **Deposit Account Terms and Conditions** and the **Account Access Terms and Conditions**. If you have any questions please ask us before operating the account.

1. About our Smart Saver Account

Congratulations on choosing our Smart Saver Account. This personal savings account is designed to reward you for growing your balance by paying a high interest rate each month but still allowing you the flexibility of withdrawals. Different interest eligibility requirements apply to this account depending on your age, as detailed below.

2. Key features

This account is for personal use by individuals and offers a wide range of options to access your money when you need it, including: Visa Debit card, internet banking, BPAY[®], automatic transfers, ATMs, EFTPOS and of course, access through our branches.

3. Interest

The current interest rates are available by contacting us or at newcastlepermanent.com.au/rates. Our rates are variable and so may be changed at any time.

Credit interest you earn is worked out as tiered interest using the annual rate divided by 365 on the daily opening balance and paid to the account on the last day of each calendar month if the following requirements are met:

Interest eligibility requirements	
Where one or more account owners is 25 years of age or over as at the last day of the calendar month:	You can earn interest if your Smart Saver Account closing balance on the last day of the calendar month is at least \$150 higher than the opening balance on the first day of that month (excluding any amounts of interest earned on the account in that month) and no more than 2 withdrawals have been made from the account during that month.
Where all account owners are under 25 years of age as at the last day of the calendar month:	You can earn interest if your Smart Saver Account closing balance on the last day of the calendar month is at least \$10 higher than the opening balance on the first day of that month (excluding any amounts of interest earned on the account in that month) and no more than 2 withdrawals have been made from the account during that month.

4. Operating your account

Visa Debit card, internet banking, BPAY, automatic transfers, ATMs, EFTPOS and our branches can all be used to access your account. Our Visa Debit card has minimum age requirements. Please see our **Account Access Terms and Conditions** for further details.

Please let us know if you would like to register for our personal internet banking service. Our **Account Access Terms and Conditions** details the services available. Our business internet banking service has separate business internet banking rules (which will be given to you at the time you register for business internet banking if you are eligible for this service).

We will issue you a statement every 6 months or more frequently if you request. However, we may not if your account has a zero balance and there were no transactions during the statement period.
