## About this document

This TMD applies to the Statement Savings Account issued by Newcastle Permanent Building Society (ACN 087 651 992, AFSL / Australian Credit Licence 2382730) (the **Issuer**).

The purpose of this TMD is to describe who a product is appropriate for (the target market), and any conditions around how the product can be distributed to customers.

This TMD is not intended to provide any financial product advice, and does not take into account any individual customer's objectives, financial situation or needs. Examples used in this TMD are illustrative only, and are not intended to be exhaustive.

This TMD does not replace the Terms and Conditions applicable to this product. Before deciding to acquire a product from Newcastle Permanent, you should consider the relevant Terms and Conditions, which are available from [newcastlepermanent.com.au/terms-and-conditions](https://newcastlepermanent.com.au/terms-and-conditions), at any branch or by calling 13 19 87.

## Who is this product suitable for?

The Statement Savings Account linked to a Premium Plus Package account is designed for personal customers who:

- Seek a transaction account to manage their spending and savings needs
- Seek a competitive interest rate as a reward for holding an eligible home loan, and are comfortable with interest being paid half-yearly
- Seek no monthly account keeping fee to minimise their costs
- Value the flexibility to be able to access their money whenever and wherever they are, via a range of channels
- Generally make a small number of withdrawals via branch and/or EFTPOS, or predominantly use ATMs or Visa 'credit' option when making card purchases, to minimise excess transaction charges

This account is only available for customers with an existing Premium Plus Package Home Loan or Credit Facility that was entered into prior to 1 July 2017.

This product is likely to be consistent with the objectives, financial situation and needs of the class of consumers in the target market. This is based on an assessment of the key terms, features and attributes of the product and a determination that these are consistent with the identified class of consumers.

### **The Statement Savings Account is generally not suitable for customers who:**

- Expect to make frequent withdrawals via EFTPOS and/or in branch, in excess of their free Everyday Transactions allowance
- Wish to use the account for business purposes
- Want the certainty of a fixed interest rate for a term they select, in return for locking away their funds
- Want interest to be credited to their account more frequently than half-yearly
- Did not hold a Premium Plus Package Home Loan or Credit Facility prior to 1 July 2017 and therefore do not meet the eligibility criteria to open the account.
