### 1. About our Statement Savings Account

Congratulations on choosing our Statement Savings Account.

This flexible everyday account is designed to help make your banking easier offering a range of transactional facilities including card access and no account keeping fees.

### 2. Key features

This account is for personal use by individuals and offers a wide range of options to access your money when you need it, including: Visa Debit card or cashcard, personal cheque facility, internet banking, BPAY<sup>®</sup>, automatic transfers, ATMs, EFTPOS and of course, access through our branches.

### 3. Interest

The current interest rates are available by contacting us or at [newcastlepermanent.com.au/rates](http://newcastlepermanent.com.au/rates). Our rates are variable and so may be changed at any time.

Credit interest you earn is worked out as strata interest using the annual rate divided by 365 on the daily opening balance and paid to the account half yearly on the last day of June and December.

### 4. Operating your account

Visa Debit card, cashcard, personal cheque facility, internet banking, BPAY<sup>®</sup>, automatic transfers, ATMs, EFTPOS and our branches can all be used to access your account. Card access (Visa Debit card or cashcard) and the personal cheque facility have minimum age requirements. Please see our **Account Access Terms and Conditions** for further details.

Please let us know if you would like to register for our personal internet banking service. Our **Account Access Terms and Conditions** details the services available. Our business internet banking has separate business internet banking rules (which will be given to you at the time you register for business internet banking if you are eligible for this service).

We will issue you a statement every 6 months, or more frequently if you request. However, we may not if your account has a zero balance and there were no transactions during the statement period.
