## Facts on Fees and Charges

Effective: 1 October 2016

### Car Loans and Personal Loans

With a Newcastle Permanent Car Loan or Personal Loan you pay no ongoing account keeping fees. You agree to a fixed rate of interest over a fixed period of time, so you know what your repayments are for the life of the loan.

Repayments can be made either weekly, fortnightly or monthly via automatic transfer or direct debit from your salary.

Additional repayments can be made at any time and for any amount and there are no penalties for repaying your loan early.

Generally, you can obtain a Personal Loan for any worthwhile purpose including buying a car, going on a holiday, renovating your home or consolidating your debts. Our Car and Personal Loans offer:

- › Competitive fixed rates
- › No ongoing account keeping fees
- › No early repayment penalties
- › No restrictions on additional repayments

Below is an explanation of fees and charges, which you may be asked to pay when you take out a Newcastle Permanent Personal Loan.

### Application Fee

Assessing and processing your loan application can be an involved process, requiring the expertise of trained assessors. For this reason, an application fee is payable upon advance of your loan.

The application fee for all Personal Loans is \$250.

When approving your loan, Newcastle Permanent Building Society may need to secure your loan against an asset you have to support the loan. Depending on the security used, we may charge you a fee to register our financial interest over the asset. Stamp Duty may apply. For more details visit your local branch or call 13 19 87.

### Default Administration Fee

This fee only applies if you fall behind in your loan repayments or you do not make your full minimum monthly repayment.

You can avoid incurring this fee by:

- › Keeping your loan in advance
- › Making your loan repayment on time

The default administration fee for Personal Loans is payable to us when a repayment due under your agreement is not made.

The fee is \$35 where one payment or less is in arrears, and \$50 per month where more than one payment is in arrears.

### Dishonour Fee

A dishonour fee is payable when a payment direction you make, such as a direct debit, salary deduction or automatic transfer is dishonoured.

The dishonour fee is \$9.00 per dishonour.

### Substitution of Security

Where you require that we vary the security we hold for your loan, a fee will apply.

The substitution of security fee is \$75.
